Made on a local Amish farm, these scooters feature welded steel construction, ball bearing wheels, high speed aluminum racing rims, standard bicycle pneumatic tire sizes, powder-coat finish, front and rear brakes, kick-stand, and a front basket.

These are the same scooters that are used on a daily basis by many of our local Amish. They are built to last.

All of these scooters are built tough and are capable of carrying up to 350 pounds.

The 12" size is typically suitable for children up to about age 6.

The 16" size is suitable for people age 6 to adult.

The 20" size is for taller folks, and  
The 24" size is for really tall people.

Available in a variety of colors.  
Special order colors may incur an extra charge.

Model A12	12 inch wheels	\$167
Model A16	16 inch wheels	\$233
Model A20	20 inch wheels	\$253
Model A24	24 inch wheels	\$290

We can ship these. Shipping costs vary from \$25 to \$70 depending on UPS zone and distance.
